

Zinelys[®] is a natural origin product based on cinnamon extract (*Cinamomum Zeylandicum*). The cinnamon extract acts as a natural acaricide and fungicide.

The extract will promote the exertion of natural substances in the plant that will avoid and reduce the fungal and mite attacks.

Zinelys[®] will also activate different metabolic reactions that will improve the immunological system of the plant against stressful situations.

ZINELYS IS SUITABLE FOR ORGANIC AGRICULTURE ACCORDING TO THE EC REGULATION N° 889/2008

COMPOSITION

Cinnamon extract 70,0 % w/w

DOSES

FOLIAR

200-300 cc/100 L of water
